Welcome to Three Sisters for the first Scooter Race meeting organised exclusively by the BSSO since the 1990s. It's great that our return to running our own meetings should be here at Three Sisters as this was our "home" for many years in the late 80s early 1990s when we would often come here 4 or 5 times a year. It's a shame that current restrictions mean the public can't mingle as freely as we would like into the pits area and come and have a close up look at what we are doing but hopefully we can provide some entertaining racing on the track to make up for it. We have invited our friends from the Bantam Racing Club to give us a break from the races as most riders enter all scooter classes. The Bantams always provide good racing and being 2-strokes and classic they are a good fit for us. Also this weekend we have a first in allowing the public track access for "parade" laps. As you will see the road going scooters get to run behind a pace car and experience the Three Sisters track for themselves at whatever pace they feels suits them.

Message from the Chairman of The BSSO

It gives me great pleasure to welcome you all to the first Scooter hosted meeting in almost 30 years. An immense amount of work has been done in a very short time by the Committee, helped and guided by Stu & Donna Davidson (and for the loan of their Radios). I'd also like to thank Preston and District MC for the marshals, CaroleAllison BHR, HS Sports Timing, and everyone else that makes this meeting possible. So on behalf of the BSSO I'd like to wish all competitors the best of luck and a brilliant days racing. Dave Bristow.

## Scotty on 3 Sisters

3 Sisters regarded as the spiritual home of British scooter racing. For some it holds fond memories, a place where legendary status was deservedly earned as riders and teams battled it out on what seemed like a weekly basis. Many of those riders and teams returning today. Chiselspeed, SRP(Taffspeed) and of course the multi championship winning Replay Racing all here amongst some relative newcomers in comparison. As reigning British Champions Our own team(DSC) a mixture of former Team Rayspeed, Team MB and a splattering of newbies will be doing their utmost to earn legendary status against them. Whatever the outcome, its great to be back and to be part the first scooter racing event organised by the BSSO truly is something special. To all the competitors, teams riders and helpers the very best of luck!

To all the organisers thank you!

To all those here to watch? enjoy and brace yourself!!!
